AEROCEILING<sup>®</sup> by CLIPSO<sup>®</sup> is a suspended frame system also referred to as “clouds.” The AEROCEILING product line consists of suspended clouds, lightboxes, custom-shaped frames, partitions, wall frames, and torsion spring ceiling tiles. Used for decorative, acoustic, or illumination purposes, AEROCEILING is the ultimate design expression. AEROCEILING cloud systems are 100% customizable and can adapt to any design specifications and shapes with the appropriate CLIPSO profiles. Create your own look with our custom print services.

AEROCEILING is proudly assembled in the United States to ensure high quality and the fastest lead times available. AEROCEILING clouds can be shipped as finished frames or “kitted” for quick and easy assembly on-site, as per your specifications.
